The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

1 The offender has violated the supervision condition which states '**The defendant shall participate in a mental health program for evaluation and/or treatment as directed by the U.S. Probation Office. The defendant shall remain in treatment until satisfactorily discharged and with the approval of the U.S. Probation Office. The defendant shall take medication as prescribed and allow the U.S. Probation Office to monitor his medication intake.**'

On June 25, 2008, the offender was terminated from the Community Psychiatric Institute (CPI), a mental health treatment program, due to his noncompliance. Twitty failed to take his psychiatric medication as prescribed and his mental health was rapidly deteriorating. Twitty was then referred to East Orange General Hospital Behavioral Health for on-going treatment. The offender has not complied with the new program nor has he taken his psychiatric medication as prescribed.

I declare under penalty of perjury that the foregoing is true and correct.
